

Happy Holiday and Thank YOU from US Optical!

Wishing you a Happy and Healthy Holiday Season from your friends at US Optical

We would like to thank you for your continued support and business.

*The past few months have been incredibly challenging due to our software upgrade.
We sincerely apologize for any impact this has made on your business.*

*We are happy to report that service levels are back to normal and our
24 hour service has resumed!*

Please note our holiday schedule: closed December 25th & January 1st

Placing Your USO Orders on Vision Web

VisionWeb

VisionWeb is now our primary online ordering portal.

If you do not currently have a VisionWeb account, please visit visionweb.com.
If you already use VisionWeb but are not currently using it to place orders
with US Optical, please add us as a supplier today!

For more information please visit the VisionWeb folder at usoptical.com/document-center

Are You Ordering Your Rx's
Electronically through US Optical?
If not, here's why you should:

***Need help getting set up on Vision Web?
The Spectacle Ordering Guide is a helpful resource!
Download from the Vision Web folder in our
Document Center at usoptical.com/document-center/***

QUICKER PROCESSING: orders begin as soon as they are entered 24/7!

FEWER ERRORS: less re-keying on the order=fewer mistakes

LESS RETURN CALLS TO YOU: minimizes need for add'l Rx info

CONSISTENCY: streamlines communications/ordering for your staff

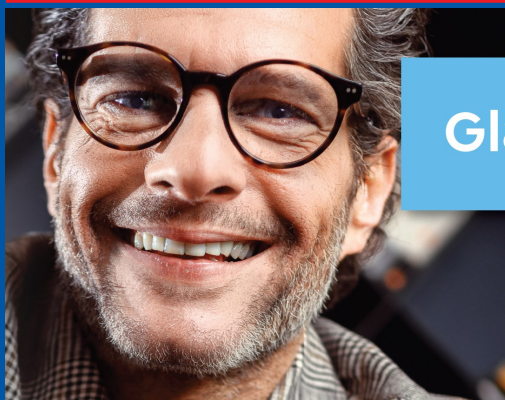

CONVENIENCE: allows you to start order when it's best for you

FREE: no fees for ordering platform

Shamir Glacier Expression—Coming Soon to US Optical!

Glacier Expression™

A CUTTING EDGE SOLUTION THAT
**HELPS YOU
CONNECT
EMOTIONALLY**

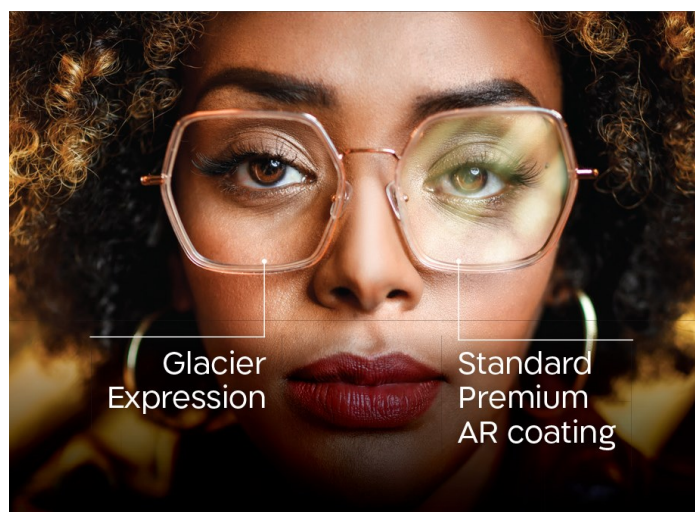

Benefits:

- Anti-reflective coating that lets you truly express yourself
- Clearest, sharpest vision possible
- Enjoy comfortable vision with minimized visual background noise
- And all the benefits of Glacier PLUS™: anti-static, scratch-resistant, oleophobic and hydrophobic!

Who it's For:

Anyone who wants to build a stronger, more meaningful connection with family, friends, and colleagues in person and throughout the expanding digital space.

Anyone who Facetimes, Tiktoks, Zooms, takes selfies, or posts on Social Media will see immediate results!

For more information please visit the Shamir folder at usoptical.com/document-center

Pair 50 at US Optical

PAIR 50

Pair 50 Pricing is now automated by our Lab Management Software. Our system will calculate the proper discount and automatically issue a credit on your statement **IF:**

- Your US Optical account is enrolled in Pair 50 on essilorpro.com
- The spelling of the patient name matches on both invoices
- Pair 50 is referenced in Special Instructions on one order

Following these steps will eliminate the necessity of submitting credit requests for Pair 50 jobs.

Please feel free to reach out to your Territory Sales Manager with any questions or concerns.
